CoICACI 2019

2nd IEEE COLOMBIAN CONFERENCE ON APPLICATIONS IN COMPUTATIONAL INTELLIGENCE

Certificate

On behalf of the IEEE Colombian Conference on Applications in Computational Intelligence – IEEE ColCACI 2019, the organizing committee certifies that
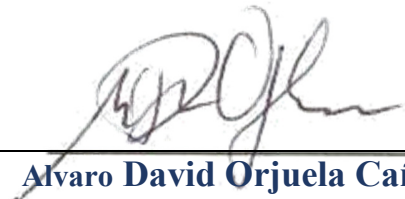

Giuseppe Roa Osorio

participated as speaker of the paper entitled:

Proposal of an address allocation protocol in ad hoc networks based on a pollen dispersion algorithm

during the conference.

June 5th - 7th, 2019 in Barranquilla – Colombia

Alvaro David Orjuela Cañón
General Chair

Oscar Javier Rodriguez
IEEE Colombia Section Chair
